

**London Section**

A large offshore oil rig is silhouetted against a vibrant sunset sky. The sun is a bright yellow-orange orb, partially obscured by a thin layer of clouds, casting a warm glow over the dark blue sea. The rig's complex structure, including a tall derrick and various platforms, is clearly visible against the bright background.

# **SPE London 2018 Sponsorship Pack**

**Contact: Adrian Southworth  
E-mail: [oleumventures@icloud.com](mailto:oleumventures@icloud.com)**

# SPE Sponsorship Offers

## Ways in which your business can support the SPE?

SPE London offers a number of opportunities to support the organisation.

**Primarily** through an annual sponsorship relationship which supports delivery of a diverse technical and non technical monthly lecture program where

- Discounts available for **multi-year** sponsorships.
- Annual sponsorships preferred valid from January to December, but 12mths duration acceptable.

**Alternatively** through supporting our Special Interest Groups (SIG) of

- Women in Energy
- Business Development &
- Young Professionals

SPE are happy to create a **bespoke offer** to bring the best value for your organisation.

## Annual Sponsor Evening – 1,000£ /year

- 2 free seats at a chosen Evening talk or special interest event
- Slide with acknowledgement prior to evening talk and during breaks
- All year: Logo on SPE London website <http://london.spe.org/home>
- All year: Inclusion in sponsors list in SPE Review.

All prices exclude VAT: 20%

## Alternative SPE Support / Sponsorship Options

Support our Special Interest Groups in a particular theme by

- Providing direct financial contributions,
- Providing a venue and hosting events,
- Providing advertising and event publications
- See the relevant contact page on SPE London Web site <http://london.spe.org/home> for support details

## Mission

- To collect, disseminate, and exchange technical knowledge concerning the exploration, development and production of oil and gas resources, and related technologies for the public benefit; and to provide opportunities for professionals to enhance their technical and professional competence.

## Vision

- Enable the global oil and gas E&P industry to share technical knowledge needed to meet the world's energy needs in a safe and environmentally responsible manner.

The SPE is a not for profit organisation that relies on the generosity of industry to fulfil both its mission and vision.
