

SPEREVIEW

LONDON

Media Pack 2018

SPE Review London is a full-colour, monthly electronic publication

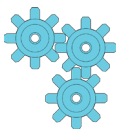

We welcome adverts for company products, services and courses, as well as recruitment requirements. Corporate and recruitment advertisements are priced according to size, and whether they are corporate/product or recruitment advertising. Additional advertising opportunities include advertising features and a consultants listing. We are also pleased to offer a bespoke advertising design service and editorial support for advertising features: please contact us for further information.

- Production and operations 20%
- Management and information 10%
- Projects, facilities and construction 7%

SPE is a not-for-profit professional association

Its members are engaged in energy resources development and production. SPE is a key resource for technical knowledge related to the oil and gas exploration and production industry, and provides services through publications, events, training courses and online resources at www.spe.org. SPE London Chapter is a self-financed chapter. Income from SPE events and services is invested back into SPE to support many other society programs.

For more details or to book advertising space, please contact:

Olga Bradulina: olga.bradulina@rfdym.com

Alternatively, download the advertising booking form from <http://london.spe.org/home>, fill in your details and send it along with your artwork to the above email address.

Banner ads

Placement: Banner ads always appear in the right hand column, below 'Contact Us', throughout the website.

- Homepage banner (appear on the 'Homepage' only.)
- Recruitment banner (appear on the 'Job Opportunities' page only.)
- Events banner (appear on the 'London Events' page.)

Technical specifications – homepage/recruitment/events:

- 114 pixel (width) x 80 pixel (height)
- 72 dpi (dots per inch)
- Websafe RGB colours
- Files must be supplied in '.gif' or '.jpeg' format. Flash files must be converted to animated '.gif' files.

Any artwork provided in other formats will require conversion and will be subject to a design charge of £90 per hour. Technical queries and final files should be supplied via email to: **Olga Bradulina: olga.bradulina@rfdyn.com**

Advertising features

Advertising features provide an editorial platform for showcasing your company's successes, such as winning awards, securing business, developing innovative products/services and attracting new recruits – or all of the above! Advertising features will appear in a similar style to that of an SPE Review London article and will benefit from supporting images, such as logos and photography.

Prices (excluding VAT): **Please contact us about advertising feature rates. Our general rates are on page 4.**

Word count

A half page feature should be no more than 300 words plus imagery.
A full page feature should be no more than 950 words plus imagery.
The number of words relates to the article content only.
Image captions and text within charts and diagrams are additional.

SPE Review London also offers an editorial service (please apply for price) and reserves the right to edit all copy.

Copy deadline

See the boxed section '[2018 Publication deadlines](#)' for further details.

Technical specifications

The inclusion of full colour company logos, pictures and illustrations, type setting and layout are included in the price, based on the advertiser supplying all elements in digital format. We can accept digital files in the following formats:

- Microsoft Word (.doc)
- Microsoft PowerPoint (.ppt)
- Adobe Acrobat PDF (.pdf)
- Adobe InDesign (.indd)
- Adobe Illustrator (.ai) or (.eps)
- Freehand EPS (.eps)
- High resolution JPEG (.jpg) or TIF (.tif) or EPS (.eps)

All photographs/images should be supplied as high resolution (300dpi) print quality files in jpeg, tif or eps format.
All charts/diagrams/illustrations should be provided with editable text if possible.

* outside back cover advert is available to corporate sponsors only

Colour options

We cannot be held responsible if the colour breakdown differs from your guidelines.

Technical specifications

Please supply your print-ready artwork in Adobe Acrobat PDF format, saved as a high resolution, 300dpi, CMYK, print-quality file with all fonts embedded or converted to paths. We also accept print-ready artwork in the following formats:

Adobe InDesign (CS5.5 or lower)

Provide an .indd file 'packaged' for output with all high resolution (300dpi) images and fonts used in artwork.

Adobe Illustrator

Provide artwork as .ai or .eps file. All high resolution (300dpi) images should be embedded and fonts outlined.

We can only accept files saved as .eps with all fonts and high resolution (300dpi) images supplied or embedded.

Any artwork provided in any other format will require conversion and will be subject to a design charge of £90 per hour.

Supplying files

Artwork up to 10MB in size may be supplied via email to: **Olga Bradulina: olga.bradulina@rfdyn.com**

All artwork supplied via email should include a PDF visual reference of the final design (if not providing artwork in print-quality PDF format).

For files larger than 10MB, please contact John to ask about uploading using an ftp site or other alternatives.
