

SPE London section sponsorship opportunities

The SPE International London Section (SPE London) is a not-for-profit technical organisation. Its main purpose is the support of SPE International's mission and vision statement. In fulfilling this purpose, SPE London provides a diverse range of technical and non-technical events to its broad membership base and to non-members.

Strong industry support allows SPE London to fulfil its purpose.

SPE is a well-recognised brand within the broader energy industry, and businesses can leverage their support through many communication channels.

- The section's digital platforms, monthly and Special Interest Groups (SIG) events offer visibility to the association's wide audience of members and non-members.
- Supporting business logos are prominently displayed on the SPE London section website, in the bi-monthly e-magazine (*SPE Review London*), and during SIG events and monthly evening meetings.
- By partnering on shared topics of interest, a business can demonstrate its commitment to Social and Corporate Responsibility (CSR).
- The section offers complimentary access to all live monthly evening and continuing education events, with 4 tickets per £1,000 of financial or equivalent support.
